

Dear St. Alban Boys' and Girls' Club,

Congratulations! On behalf of WIND Mobile, I am pleased to inform you that St. Alban Boys' and Girls' Club earned enough votes in the *Charity Challenge* to be the 2<sup>nd</sup> runner-up in the competition and will receive a \$10,000 donation. Your tireless efforts to reach out to your supporters and earn votes throughout the seven weeks of this competition placed your organization in the top six. With more than one hundred charities across Canada competing in this challenge closing with over one hundred thousand votes, this is no small feat.

One of our core values at WIND Mobile is giving back to the community and we are very happy to be donating more than half a million to charities across Canada as part of our national competition, Best Conversation Ever.

We hope that these funds will help your organization fund elements of your work that might not have otherwise been possible and we thank you once again for your participation in our competition.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ken Campbell".

Ken Campbell  
CEO, WIND Mobile
